

This week we will be:

- Practising our speaking & listening skills through our phonics activities.
- Making a 'Class Friendship Book'. We will be having our photographs taken with our friends and writing about why they make a good friend.
- Practising our number recognition and counting skills so we can correctly match the numeral to the quantity.
- Making a friendship banner for our class anti-bullying competition entry. We will be using different collage materials to decorate our own individual template. We will then join them altogether to show that we all friends.
- Celebrating 'Children in Need' on Friday by taking part in lots of Pudsey Bear activities.

If you have any questions or queries, please don't hesitate to ask a member of the Foundation stage team.

Cubs Class - Weekly letter

Week 10
w/c 13th November 2017

Star of the Week

Utjua

For taking part in lots of mark making activities and making great progress in his number formation. Well done!

'All about me' box

Each week one child will be chosen to take the 'All about me' box home. Children will be asked to fill the box with up to five items which tells us a little bit about themselves. This week **Penelope** will take home the 'All about me' box.

Sound and Number of the Week:

This week we will be introducing the children to our interactive display, 'sound' and 'number' of the week which aims to involve you in your child's learning.

This week the sound is

n

and the number is

6

Sounds will be introduced (with songs/actions) in the order they are taught in the Letters and Sounds programme. The game 'I Spy' supports the recognition of initial sounds in words and is fun to play at home or at school! Ask your child to find the number '6' on a house number or car registration plate when out and about. Any photos of your findings or objects beginning with the sound of the week can be brought into school for us to look at.

Notices:

- This week, our morning activities will be changing to allow children to practise more skills throughout the week. Each day there will be a different activity for your child to complete.
- This week is anti-bullying week in school. Children will be learning about treating each other kindly and fairly and looking at how this links to our school golden rules. We will also be taking part in class project sharing the work we have done linked to anti-bullying.
- Friday 17th November is Children in Need and to mark the occasion, children can wear non-uniform or something spotty. Donations for the charity will be greatly appreciated. The school is also hosting 'The Great Newton Hill Bake Off'. If your child would like to buy the buns or biscuits made then they can bring in donations of 50p.
- On Tuesday 5th December there will be an open morning for Nursery parents from 8.50-9.30am. We are hoping that it will be a good opportunity to look through your child's learning journals, see them in their school environment and give you the chance to speak to the teachers about your child's progress. We hope to see you then.
