

Newton Hill News

Dear Parents and Carers,

What a start it has been to 2021 – school closures, snow closures and now the rain!

Covid-19

There is a light at the end of the tunnel with the vaccination process, however, the guidance still remains and the government are asking for people to stay at home if they can. Please continue to adhere to the strict rules from the government regarding social distancing and the national lockdown – if you flout the rules, you are putting other people's lives at risk in our community, including the staff community at school. School places should only be taken if there is no possibility that you can keep your child/children at home.

Remote Learning

Firstly, thank you for all your continued positive feedback regarding the remote learning and live lessons. Life is one long learning curve and we appreciate that everyone is doing their best. I think it is important to remember that although all the staff at Newton Hill teach your children at school, it is you as parents/carers who are your child's teacher for life and that it is through a successful partnership between home and school that children thrive. We are a very reflective school and we constantly review our practice at Newton Hill; as professionals we only want the best for our children and families.

Here are some resources you may find useful to support parents who are working from home and home-schooling.

Zoom Sessions

From next week, we will be adding some additional Zoom sessions for KS1 and KS2.

KS1 – There will be an additional session for PSHE/Assembly/Story time.

KS2 – There will be two additional sessions – one for PSHE/Assembly and an optional drop-in session for children who may have specific questions regarding learning.

Further details and an updated class timetable will follow from class teachers.

Our expectations for accessing zoom teaching sessions:

In accessing the Zoom sessions, you will be agreeing to the following:

- ❖ You consent to your child/children accessing zoom and your child being visible to other children/parents
- ❖ Children will be on mute unless asked to do otherwise and you may be asked to turn your camera off
- ❖ Display your child's name on the screen

- ❖ Children should be in a suitable area and that the back drop is appropriate
- ❖ Children will be suitably dressed for learning
- ❖ Children are ready to complete any activities after the Zoom session
- ❖ Children will continue to follow the 5 Golden Rules
- ❖ Parents & children are not permitted to record or photograph the Zoom session and/or share these on any social media sites.
- ❖ A record will be kept for everyone attending the Zoom session.
- ❖ Children should refrain from eating during the live lessons.
- ❖ The chat box can only be used to ask the class teacher a question.

Safeguarding Considerations

If for any reasons the above rules are not followed and /or there are any concerns during the Zoom lesson, the live lesson will unfortunately be closed down immediately.

Thank you for your cooperation and understanding.

Kind regards,

Mrs Wheatley

Unplanned School Closures - Snow

This information is always on the weekly letter, but it is coming to that time of year when the weather can start to change. Although snow is welcomed by our children it can, as you know, cause issues with schools. We will always aim to notify you at the earliest opportunity and appreciate that this may be at short notice.

In the unlikely event of a school closure, for reasons out of our control, we will contact you via Parent Hub. We will also display messages/updates on our school website www.newtonhill.wakefield.sch.uk.

We will always do our best to stay open, but if for any reason we have to close **during the day** we will contact you by text and Parent Hub, and information will be displayed on our website. A member of the Senior Leadership Team/Senior Teacher will always stay on site until all children have been collected.

Bubble Closures & NHCS Remote Learning Plan

If a class bubble needs to close due to positive COVID test result, we would contact you via Parent Hub in order for you to collect your child/children or advise you to keep your child at home if we are notified during the evening. If a bubble closed, children would need to remain at home for 10 days. We understand that this will be a difficult time for everyone.

During the closure we will continue to provide remote learning. On the day of closure children can start to use the resource pack which has been sent home, further activities may be posted on Parent Hub. From day 3 of the closure, further remote learning activities will be set. These will be sent out via Parent Hub/email and also be linked to our school website under the 'Pupil Zone' tab. The website pages will be made available once it has been confirmed that a bubble will need to close. Work will be set daily and it will be an expectation that you return work to school so that it can be marked by class teachers – this can be done via the class email system. Teachers will provide clear explanations for the learning to be completed at home and links to a variety of resources. We will also be in daily communication via email. We may also contact you by telephone as required.

Actions you can take to help

Do not send your child to school if they are showing symptoms OR someone in their household is showing symptoms. Please let school know if your child is not attending. The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms.

[Arrange a test](#) if you or your child develops symptoms. Inform school of the results. If the test is positive, follow [guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#), and engage with the NHS Test and Trace process. If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result. **Please contact school if you need any help.**

Keeping Everyone Safe

If you have any safeguarding concerns please do not hesitate to contact the school - our Designated Safeguarding Leads (DSL) are: Mrs Wheatley, Mr Duce, Mrs Luck, Mr Paine, Mrs Dundas, Mrs Myton and Miss Land.

School Attendance Matters

We are very keen to ensure that all children attend school regularly, as this is important for your child's academic progress. We need your help to improve our attendance figure. You can help by making sure your child is at school on time every day.

Unplanned School Closures

In the unlikely event of a school closure, for reasons out of our control, we will contact you via parent hub. We will also display messages and updates on our school website www.newtonhill.wakefield.sch.uk

We will always do our best to stay open, but if for any reason we have to close **during the day** we will contact you by text, parent hub and information will be displayed on our website. Our 5 Golden Rules

At Newton Hill Community School, everyone follows our 5 Golden Rules.

We want everyone to be the best they can be and to 'Reach for the Stars'.

- ❖ We will always keep everyone included.
- ❖ We will always keep everyone safe.
- ❖ We will always keep everyone learning.
- ❖ We will always try our best.
- ❖ We are always honest.
