

Year 4 Home Learning Letter

Term 2a Week 5 6th February 2018

School Learning

Literacy

This week we are looking at the prefixes 're', 'sub' and 'inter'. We are also looking at using conjunctions, adverbs and prepositions to express time and cause in our writing.

Maths

In maths we are beginning to learn about fractions. We are looking at the different ways that fractions can be presented (as an actual fraction and visual representations e.g. 3 out of 4 sweets are red), unit and non-unit fractions (unit fractions have a numerator of 1, non-unit fractions have any other number) and equivalent fractions.

Topic

This week we are learning about being safe on the internet for 'Safer Internet Day'. Your support in this matter is appreciated. We are also looking at our mental and physical well-being for 'Children's Well-Being Week'. The theme for this is 'Being Ourselves'. We are also creating some clay animal tiles to tie in with our topic work.

Maths

To complete the maths sheet.

Topic

Over the term the children can conduct their own research project. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it is completed.

Other information

- Homework will be sent out on a Tuesday and is to be returned by the following Monday.
- This half term, both of our PE lessons will be on a Wednesday. Children will need to bring both an indoor and outdoor kit including a jumper.
 - Our library day will now be Tuesday.
- Friday 9th February – we will be learning how to play African drums as part of our topic. We will be having a special performance at 2:30pm on this day which you are invited to attend. Please can all replies be sent in to school as soon as possible?
