

What will Year 2 be learning this week?

Maths

This week we will be counting and representing numbers to 100 in numerals and in words. We will also begin to look at the place value of each digit in a two digit number. E.g. *the number 24 has 2 tens and 4 ones.*

English

Our book focus for the next few weeks will be 'Who's Afraid of the Big Bad Book' by Lauren Child. We will also be learning to use expanded noun phrases (e.g. *the blue butterfly*) to add description to our writing with our challenge being to add commas within lists.

History

This week we begin our history topic - Toys. We will begin by looking at the children's favourite toys before discussing the toys that were popular in their parents and grandparents era.

Geography

Our geography unit this term is 'What a Wonderful World' where we will be learning about countries, oceans and continents of the world. This week we will begin by

Science

This term our science unit is 'Everyday uses of Materials'. This week we will begin by looking at how materials are used.

Year 2 Newsletter

11th September 2017
