

What will Year 2 be learning this week?

### Maths

This week we will be learning how to add and subtract two two-digit numbers when they are applied in a context.

### English

This week in English we will be revisiting subordinating conjunctions with a particular focus on using *that* and *when* within sentences.

### Science

This week in Science we will begin our new unit of Plants. This term we will observe and describe how seeds and bulbs grow into mature plants. We will also find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

### Geography

This week we will begin our new unit on China and finding out how life there compares to the UK.

### History

Our new topic this term is Kings & Queens. The children will be learning about significant individuals from the past and how life then compares to now.
