

Our Curriculum

PE

Rationale and Intent

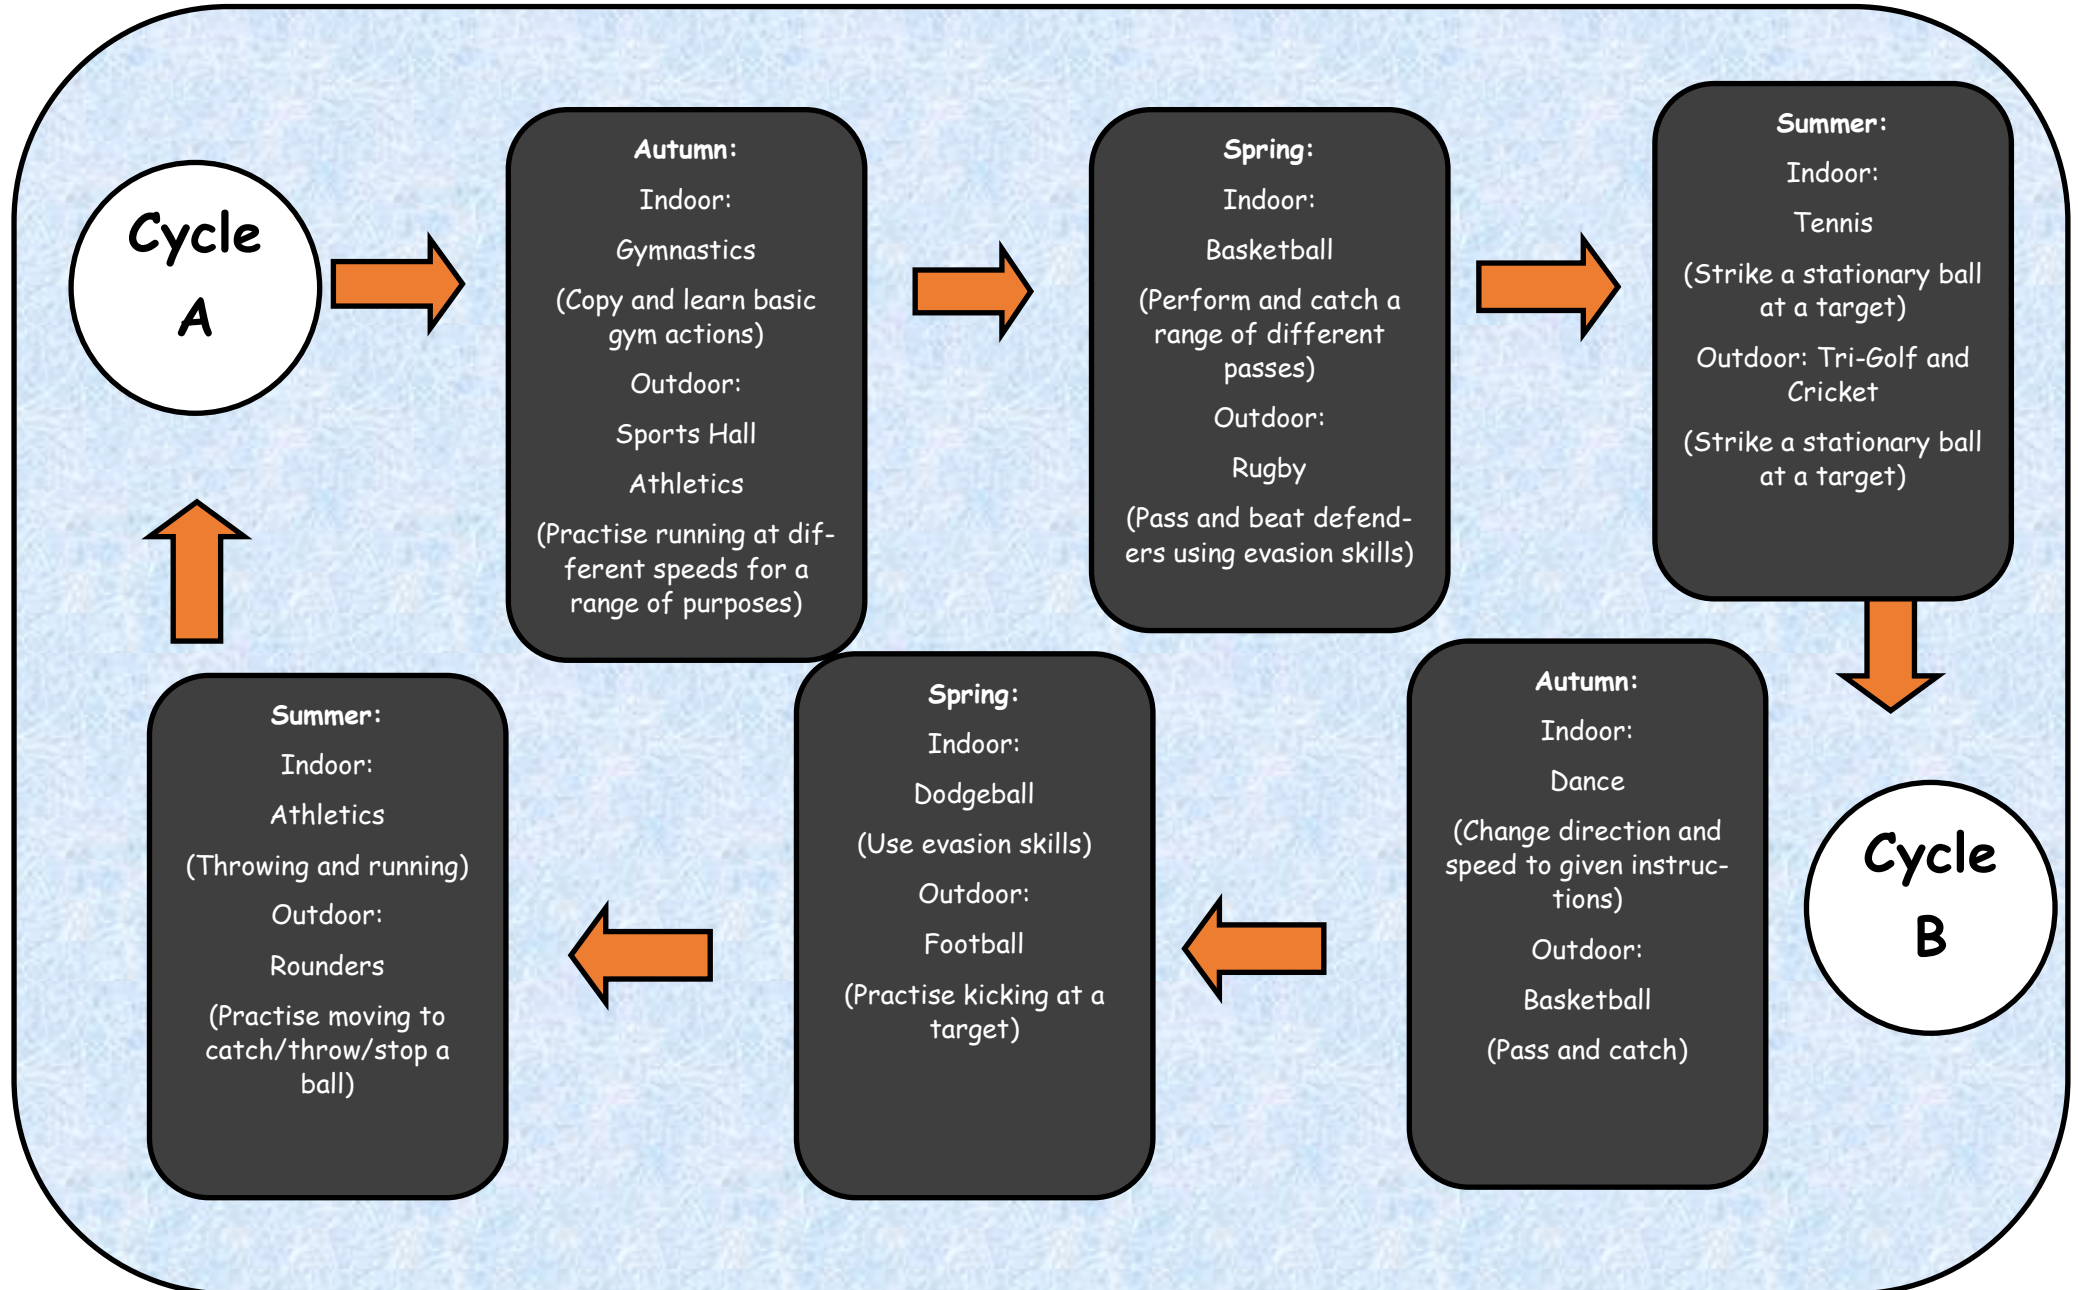

PE is vital to pupils' physical, mental, social and emotional development and health. At Newton Hill Community School, we encourage our children to reach their full potential in an inclusive, challenging and engaging environment. We aim to foster respect, creativity, resilience, enthusiasm and enjoyment of PE and Sports across the whole school from Early Years to Year 6. We want our children to leave with a passion for taking part in PE and to have a good attitude towards health and well-being.

We encourage and give our pupils the opportunity to participate in a range of active experiences which can lead to representing our school in local competitive events against other schools. Competition builds self-esteem and confidence and it encourages perseverance and teamwork. We strive to provide all children with access to a wide range of extracurricular sporting activities (which they can participate in during lunchtimes and after school), whilst also providing further opportunities throughout the year for pupils to try out new activities in our Fitness Fortnight.

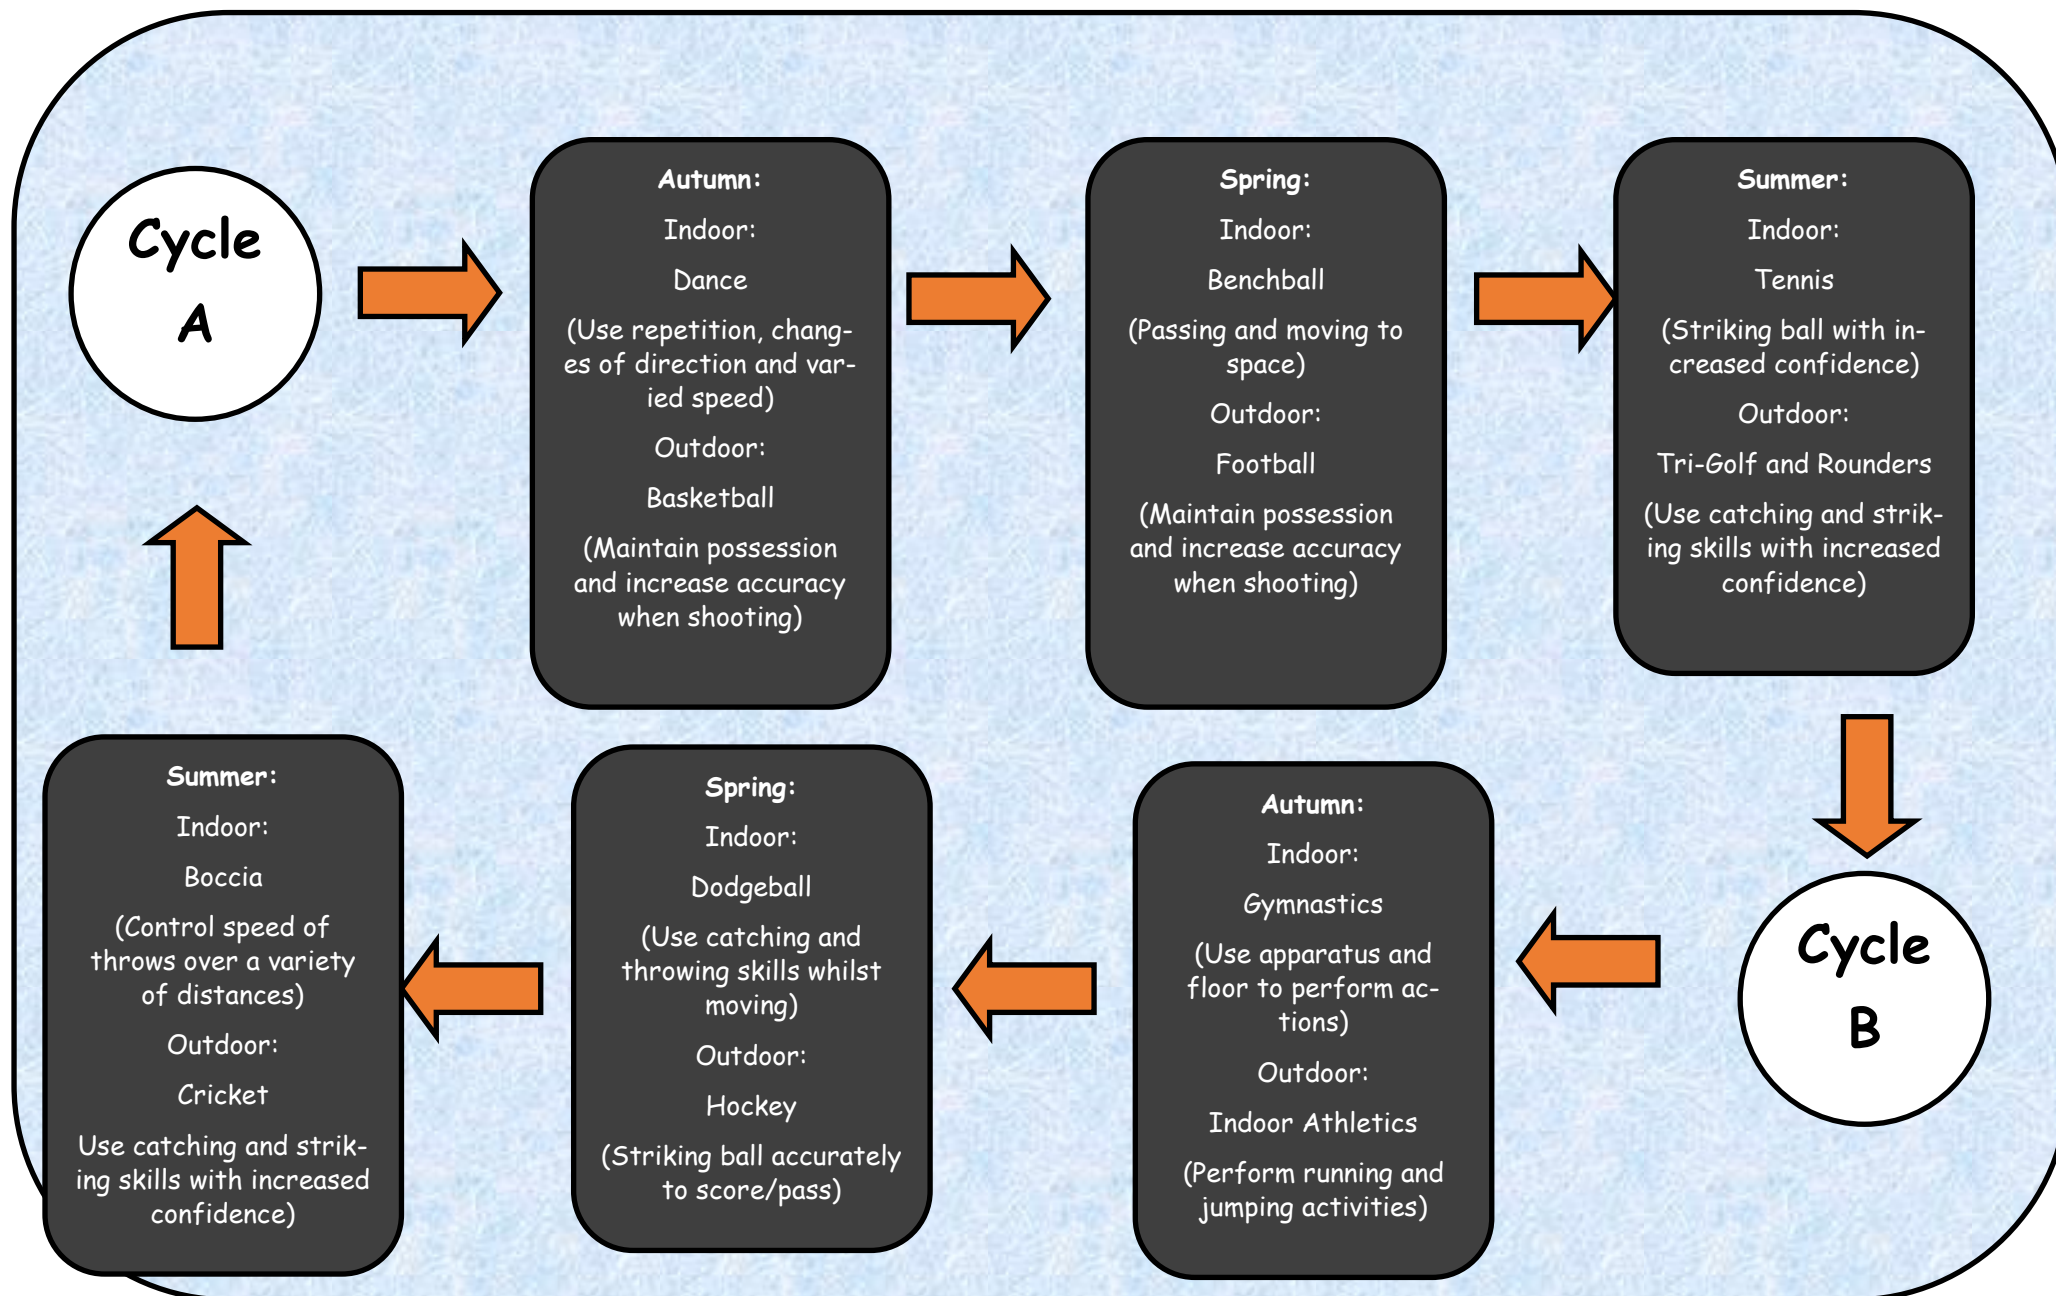

We deliver PE through:

- Using the framework and programme of study of the National Curriculum
- Promoting learning through a wide variety of teaching and learning styles
- Employment of specialist sports coaches to deliver sessions, teacher CPD and the opportunity to take part in inter-school competitions
- A fortnight dedicated to Fitness and well-being
- Sharing best practice within the Outwood Together clusters
- Teaching children fundamental movement skills
- Playing competitive games
- Supporting the less able pupils to reach realistic goals and beat targets
- Allowing our children to achieve their 'personal best'
- Identifying those pupils who are 'gifted and talented' and maximising their potential
- Supporting learners in evaluating their own progress and how to improve further
- Encouraging pupils to adopt active and healthy lifestyles

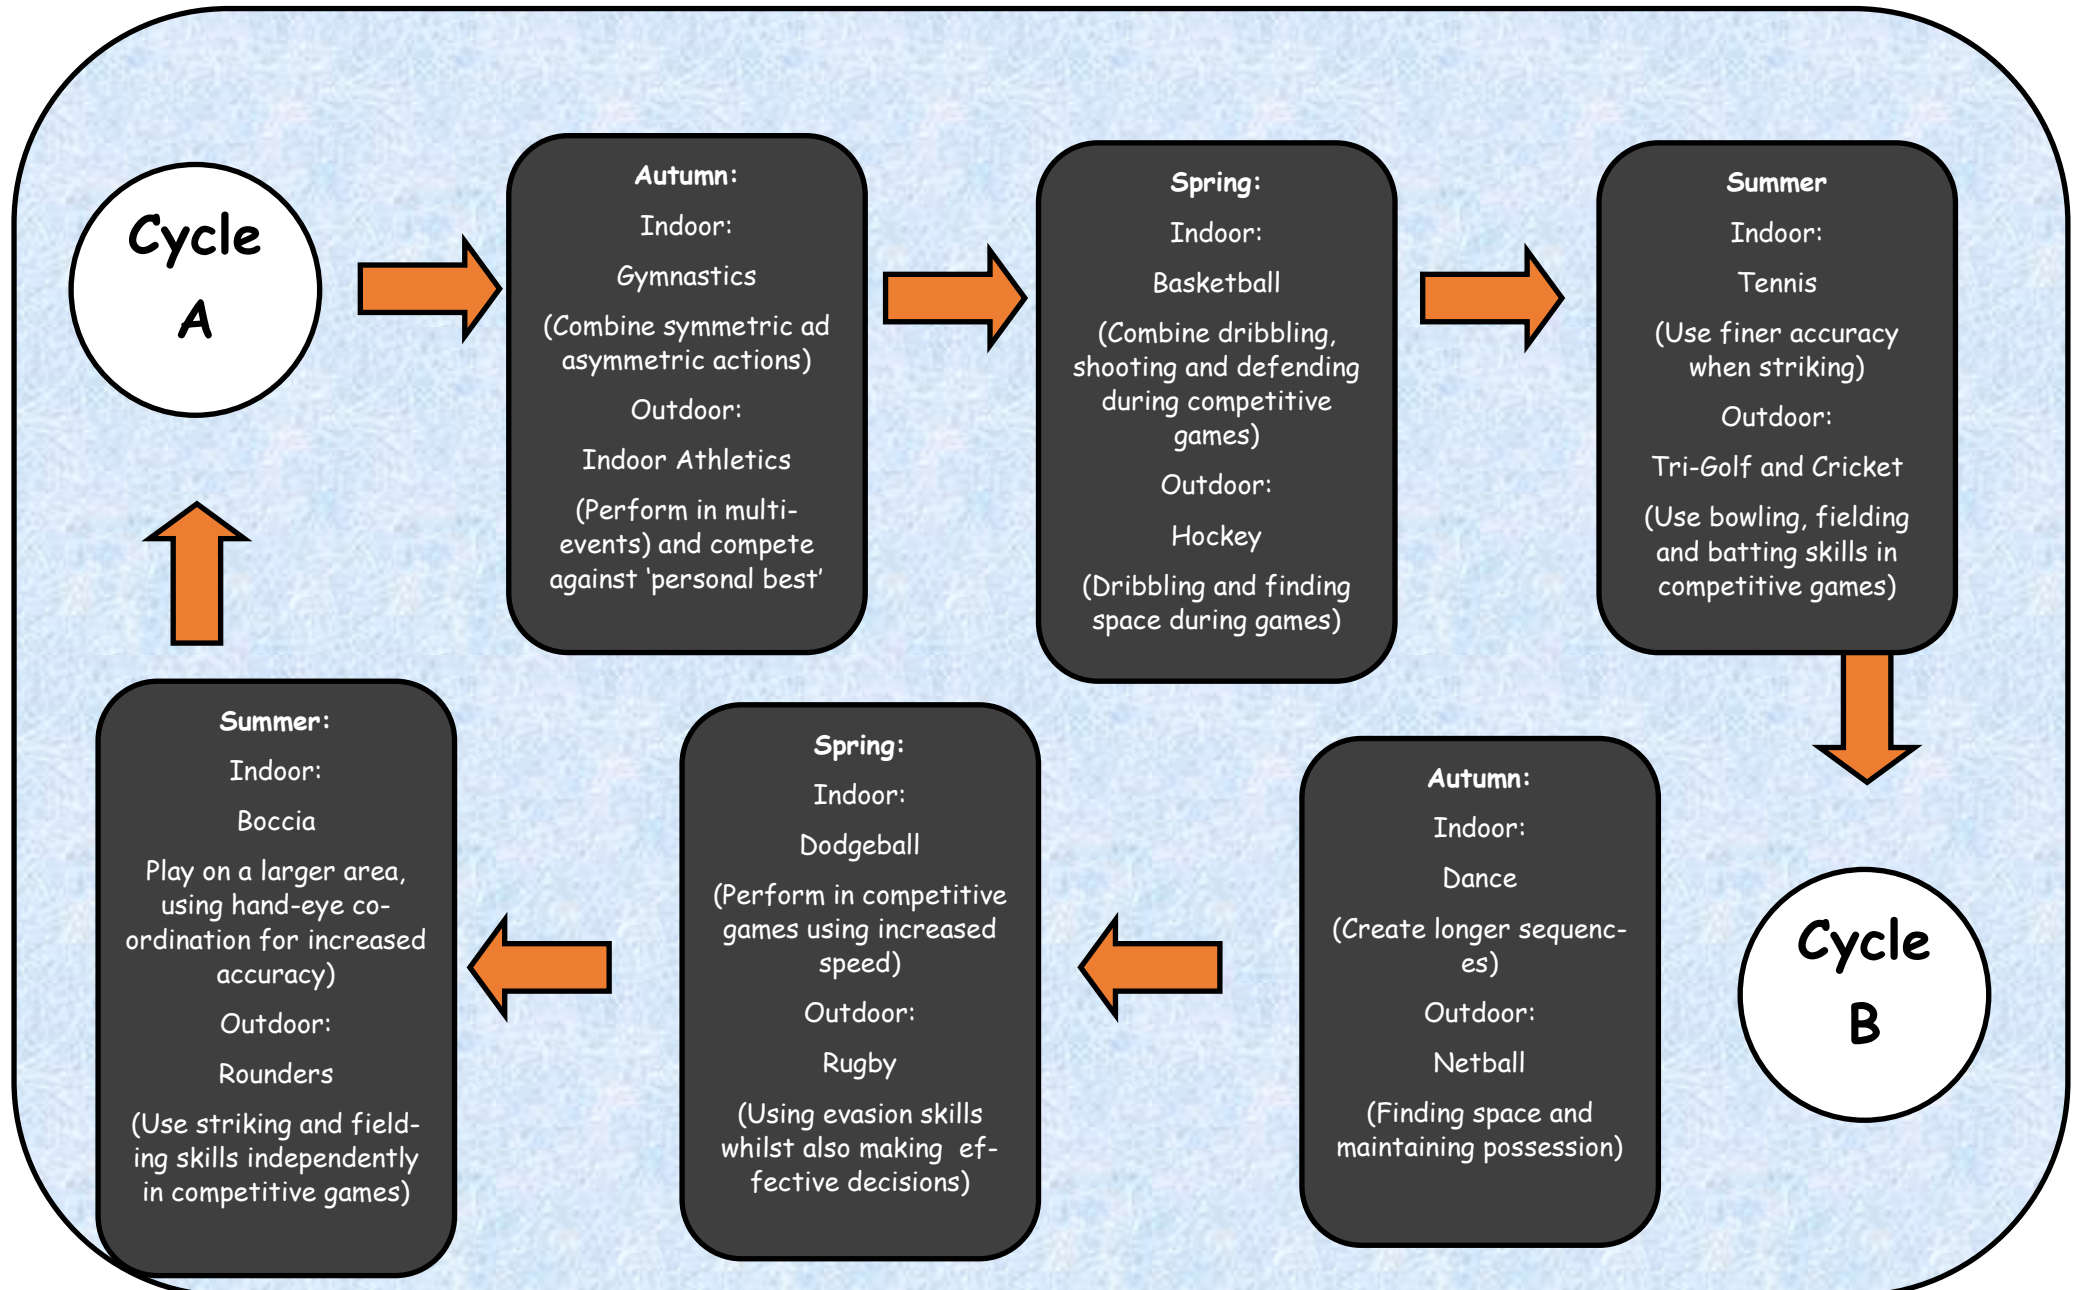

Key Stage 1 Journey

Lower Key Stage 2 Journey

Upper Key Stage 2 Journey

Nursery Skills

PE Skills

Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills. (PD)

Go up steps and stairs, or climb up apparatus, using alternate feet. (PD)

Skip, hop, stand on one leg and hold a pose for a game like musical statues. (PD)

Use large-muscle movements to wave flags and streamers, paint and make marks. (PD)

Start taking part in some group activities which they make up for themselves, or in teams. (PD)

Are increasingly able to use and remember sequences and patterns of movements which are related to music and rhythm. (PD)

Match their developing physical skills to task and activities in the setting. For example, they decide whether to crawl, walk or run across a plank, depending on its length or width. (PD)

Choose the right resources to carry out their own plan. For example, choosing a spade to enlarge a small hole they dug with a trowel. (PD)

Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks. (PD)

Show a preference for a dominant hand. (PD)

Be increasingly independent as they get dressed and undressed, for example, putting coats on and doing up zips. (PD)

Reception Skills

PE Skills

Revise and refine the fundamental movement skills they have already acquired: rolling, crawling, walking, jumping, running, hopping, skipping, climbing. (PD)

Progress towards a more fluent style of moving, with developing control and grace. (PD)

Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming. (PD)

Use their core muscle strength to achieve a good posture when sitting at the table or sitting on the floor. (PD)

Combine different movements with ease and fluency. (PD)

Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. (PD)

Develop overall body-strength, balance, co-ordination and agility. (PD)

Further develop and refine a range of ball skills including throwing, catching, kicking, passing, batting and aiming. (PD)

Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball. (PD)

Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. (MS)

Explain the reasons for rules, know right from wrong and try to behave accordingly. (MS)

Work and play cooperatively and take turns with others. (BR)

Negotiate space and obstacles safely, with consideration for themselves and others. (GMS)

Demonstrate strength, balance and coordination when playing, (GMS)

Move energetically, such as running, jumping, dancing, hopping, skipping and climbing, (GMS)

Watch and talk about dance and performance art, expressing their feelings and responses. (EAD)

Explore and engage in music making and dance, performing solo or in groups.
