

## Year 6 Home Learning Letter

Term 2a Week 4. 22nd January 2018

### School Learning

#### Literacy

This week we have been editing and improving our writing about a fantasy chocolate world and writing up our final version. In reading we have been looking at the meaning of words in context – using clues in the text we read to help us to understand the meaning of tricky words.

#### Maths

This week we have been learning about percentages and how to mix between fractions, decimals and percentages to solve problems.

#### Topic

In our Topic this week we have been looking at Mexico and the geographical facts about the country. We have also been thinking about what we want to be when we grow older and the paths we need to take to get there.

Family comment/Questions/Messages

### Home Learning Activities

#### Year 6's Home Learning

**(Homework now given out on a Friday and handed in the following Thursday to fit in with our revision timetable).**

The children have had a revision session (each Friday morning) and we have re-capped things previously taught. We have discussed the methods needed and have set the following homework linked to these lessons:

#### Maths

Please complete pages 32-35 – Factors and Multiples / Prime / Square / Cube Numbers. Please try and complete at least 2 of the challenges.

#### English

Please complete pages 38/39 – Comparing Texts. Please try and complete at least 2 of the challenges.

Other – Please try and continue to read and practise spellings.

**Every Monday Lunchtime there will be a drop in session for children who need a little extra support with their homework revision.**

#### Other information

**Mrs Birmingham will be teaching our class on a Thursday.**  
**We are now having PE lessons on a Tuesday and Thursday afternoon.**  
**Please ensure your child brings their indoor and outdoor PE kit in case of bad weather.**  
**Children need to bring their water bottle with them every day.**
