

Newton Hill News

Dear Parents and Carers,

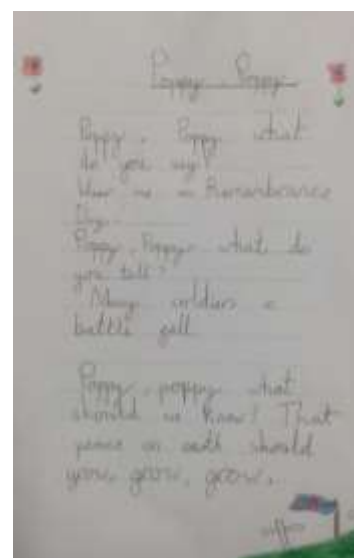

Today we have celebrated Children in Need – thank you for all of your generous donations. This week we also marked Remembrance Day and created our own poppy art work.

There are a number of parents who work with vulnerable adults and have relatives who are shielding and so to keep everyone as safe as possible may we please remind everyone to wear a face mask/covering when you are dropping your child/children at school and when speaking with staff.

As a continual reminder, please be respectful of our neighbours when dropping off and collecting children – please try to keep our neighbours' gates free for access and do not block any driveways. Our local PCSO will continue to be on duty to support.

Monday 16th November - children can wear odd socks for Anti-bullying week (normal uniform please, donations not required).

Thank you for your continued support. If you have any questions/concerns please do not hesitate to contact school or class teachers via the email system.

Have a lovely weekend everyone.

Mrs Wheatley

Update from Mrs Dundas – Our Learning Mentor

Dear Parent/Carers,

Next week from Monday 16th to Friday 20th November is **Anti-Bullying week**.

Please visit: <https://www.anti-bullyingalliance.org.uk/anti-bullying-week> for more information.

Odd Socks Day is a national event all about celebrating what makes someone unique. It's organised by the Anti-Bullying Alliance which is a group of organisations, charities and individuals who work together to try and stop bullying. **We would like ALL children to wear odd socks this coming Monday 16th November 2020 (if possible).** Many thanks for your support in this event. Mrs Dundas Learning Mentor

School Fundraising - Tea Towels

Don't forget the school is selling tea towels containing self-portraits of every class to help raise much needed funds for school. These tea towels are excellent quality and make a brilliant present for family and friends - perfect for Christmas!

These will be sold on a first come first served basis - once they're gone they're gone so get your orders in now!

For the school year starting in September 2021, the closing date for applications for Reception places is 15th January 2021. The online system opens for applications on 1st November 2020.

The online application system is for Wakefield residents only. If you are not a Wakefield resident, please contact the local authority where you live. It is your responsibility to apply for a school place for your child. The application must be made by someone with legal Parental Responsibility for the child.

If you need any help, please do not hesitate to contact school. Please pass this information on to anyone else you know who requires a school place for September 2021. Thank you.

Interim Reports

To replace our consultations this term, we will be sending home an interim report in December. Please contact your class teacher via the email system if you have any concerns regarding your child or if you would like to speak to your class teacher.

Coronavirus Update

Please continue to wear a mask or face covering when collecting/dropping off on school premises. This also applies to older children who are collecting. You must still keep a safe distance from other parents/carers and staff (2 metres) when waiting to collect/drop off. Thank you to everyone who is complying with the rules – hands, face and space.

NHCS Remote Learning Plan

If a class bubble needs to close due to positive COVID test result, we would contact you via the parent hub in order for you to collect your child/children. If a bubble closed, children would need to remain at home for 14 days. We understand that this will be a difficult time for everyone.

During the closure we will continue to provide remote learning. On the day of closure children can start to use the resource pack which has been sent home – these have been sent out this week (please keep these activities in a safe place), further activities may be posted on parent hub. From day 3 of the closure, further remote learning activities will be set. These will be sent out via parent hub and also be linked to our school website under the 'Pupil Zone' tab. The website pages will be made available once it has been confirmed that a bubble will need to close. Work will be set daily and it will be an expectation that you return work to school so that it can be marked by class teachers – this can be done via the class email system. Teachers will provide clear explanations for the learning to be completed at home and links to a variety of resources. We will also be in daily communication via email. We may also contact you by telephone as required.

School Gates

If you are travelling in a car, please take extra care when dropping off and collecting your child/children. We also ask that you respect our neighbours by not blocking driveways.

Actions you can take to help

Do not send your child to school if they are showing symptoms OR someone in their household is showing symptoms. Please let school know if your child is not attending. The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms.

[Arrange a test](#) if you or your child develops symptoms. Inform school of the results. If the test is positive, follow [guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#), and engage with the NHS Test and Trace process. If you have any of the main symptoms of coronavirus

(COVID-19), get a test as soon as possible. Stay at home until you get the result. **Please contact school if you need any help.**

Further information regarding COVID-19 can be found at:

School Attendance Matters

We are very keen to ensure that all children attend school regularly, as this is important for your child's academic progress. We need your help to improve our attendance figure. You can help by making sure your child is at school on time every day.

Keeping Everyone Safe

If you have any safeguarding concerns please do not hesitate to contact the school - our Designated Safeguarding Leads (DSL) are: Mrs Wheatley, Mr Duce, Mrs Luck, Mr Paine, Mrs Myton and Miss Land.

Unplanned School Closures

In the unlikely event of a school closure, for reasons out of our control, we will contact you via parent hub. We will also display messages and updates on our school website www.newtonhill.wakefield.sch.uk

We will always do our best to stay open, but if for any reason we have to close **during the day** we will contact you by text, parent hub and information will be displayed on our website. A member of the Senior Leadership Team will always stay on site until all children have been collected.
