

Year 4 Home Learning Letter

Term 2b Week 1 27th February 2018

School Learning

Literacy

This week we are learning about how to use a range of pronouns and nouns to aid cohesion and avoid repetition in our writing. We will also be planning a newspaper report based upon our Aspirations Week.

Maths

In maths we are continuing to look at fractions. We will be adding and subtracting fractions with the same denominator (the bottom number will always stay the same).

Topic

Our topic this week will mainly focus around our career aspirations. We will be visited by lots of people, with at least 20 volunteers coming to talk to us about their careers in a special assembly and workshop on Tuesday. We will welcome athletes, coaches, bankers, food buyers, police officers as well as many other careers. We are also welcoming a special visitor on Thursday!

Family comment/Questions/Messages

Home Learning Activities

Use pages in your home learning book for any activities. Use a clean page each time. **Remember to write a title and the date. Always use your best handwriting.**

Year 4's Home Learning

Reading

To read your reading book. Bring your book to school every day.

English

To write a short paragraph about your favourite visitor that you spoke to today. What was their career? Did they enjoy it? Why did you enjoy speaking to them?

Maths

To complete the maths sheet.

Topic

Over the term the children can conduct their own research project. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it is completed.

Other information

Homework will be sent out on a Tuesday and is to be returned by the following Monday.

This half term our PE lessons will be on a Monday and Wednesday. Children will need to bring both an indoor and outdoor kit including a jumper.

Our library day is Tuesday.
