

What will Year 2 be learning this week?

Maths

This week we will be continuing to understand the place value of each digit in a two-digit number. This will help prepare us for our unit on addition and subtraction.

English

Our book focus is 'Who's Afraid of the Big Bad Book?' This week we will be applying our new learning, expanded noun phrases, into a fairytale.

History

This week we will be looking at what toys were popular in our parents and grandparents era and how they are similar and different to toys today. We will be using a variety of different sources when researching.

Geography

Our geography unit this term is '*What a Wonderful World*' where we will be learning about countries, oceans and continents of the world. This week we will begin by recording where the continents and oceans are on a world map.

Science

This term our science unit is '*Everyday uses of Materials*'. This week we continue to look at how materials are used.

Year 2 Newsletter

18th September 2017

Important Notices / Information

- Please can you ensure your child's school uniform and P.E kit is clearly labelled with their name.
- There have been some changes to P.E over this half term. P.E will take place on a Tuesday morning (football with the FA) and a Tuesday afternoon (rugby with Wakefield Wildcats). I will keep you updated for when our new P.E sessions will be after half term. As the majority of these lessons will be outside, please can you ensure your child has an outdoor P.E kit and trainers.
- Year 2 class assembly will be on Thursday 21st September at 2:45pm.
- School will close for half term on Friday 20th October 2017.

This term our topic is:

Toys

Homework
