

Year 6 Home Learning Letter

Term 1a Week 7 18th October 2017

School Learning

Literacy

This week we have been writing our first draft of a discussion around the idea of whether travelling the world can replace learning in a classroom. We have been trying to use the skills we have been learning in English to make our writing effective.

Maths

This week we have been looking at problem solving involving the 4 methods including using inverse operations.

Topic

We have continued to learn about electricity this week and how to represent circuit diagrams using symbols. We have also been looking at creating our own rap music as well as continuing our graffiti art work in the style of Banksy.

Family comment/Questions/Messages

Home Learning Activities

Use pages in your home learning book for any activities. Use a clean page each time. **Remember to write a title and the date. Always use your best handwriting.**

Year 6's Home Learning

(Homework given out on Wednesdays / hand in by following Tuesday at the latest).

Reading

Continue to read through the week and log this in your home learning book. Please complete comprehension task set around the text 'Bonfire Night.'

Maths

I would like to see some practice in your books linked to your x-tables or the 4 methods we have been practicing.

Spellings / Grammar / Punctuation

Practise spelling list regularly.

Topic

Over the term the children can conduct their own research project. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it is completed.

Other information

Mrs Birmingham will be teaching our class on a Thursday.
We are having PE lessons on a Tuesday and Wednesday afternoon. Please ensure your child brings their indoor and outdoor PE kit in case of bad weather.

Children need to bring their water bottle with them every day.
HAVE A GOOD BREAK AND WELL DONE THIS FIRST HALF TERM!
