

Newton Hill Community School

We are delighted to announce that we, Newton Hill Community School, have achieved the School Games Gold Mark Award for the 2017/18 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:

Providing a range of high-quality lunchtime and afterschool clubs for all ages.

Success in competitions against other schools.

Ensuring our sporting offers and inclusive for all.

Allowing all children the opportunity to improve their sporting skills through quality PE teaching.

Giving children the opportunity to lead different sports and activities throughout school.

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:
