

What will Year 2 be learning this week?

Maths

This week we will be continuing to look at multiplication and how we can solve multiplication statements.

English

This week in our writing we will be beginning to write our own biographies about the Queen. We will be using a wide range of skills that we have learnt so far in Year 2.

History

This week in History, the children will be finding out facts about Queen Elizabeth II and about key events in her life. This will then help the children when writing their biographies in writing lessons.
