

Notices:

- Our PE sessions will take place on Friday afternoons (starting 15th September). Please ensure that children have their PE kit with them on this day. If your child wears earrings we advise that they are either removed or tape is provided so that your child can cover the earrings themselves. No other jewellery should be worn to school.
- Children will need to bring a bag to school with them each day. This is so that children can bring home important letters and any work that they have done that day in class.
- We will shortly send out another letter with important dates for your diary.

Please make sure that all items of school uniform are named.

House Points

As part of the school reward system the children collect 'house points' for following the Golden Rules! Each child is placed in a house team. Each half term, the teams work hard to try and gain the most house points in order to win a house treat! Your child will stay in this house during their time at Newton Hill.

Your child has been placed in: **AMBER**
