

What will Year 2 be learning this week?

Maths

This week we will be looking at adding and subtracting number bonds to 100. We will also be learning how to add three single digit numbers.

English

This week in writing we will be learning how to use exclamation sentences within our writing. Exclamation sentences always begin with 'how' or 'what', contain a verb and end with an exclamation mark. For example, *what a good footballer you are! What big eyes you have! We will be looking at these within the story of The Little Red Riding Hood.*

Science

This week in Science we will be going into our school garden to observe the trees and leaves.

Geography

This week we will continue with our new unit on China and finding out how life there compares to the UK.

Year 2 Newsletter

22nd January 2018

Important Notices / Information

- This half term P.E days will be on a Thursday morning and a Friday afternoon. Children will need an outdoor P.E kit.
