

## Summer Term – Reception

### 2022/2023

#### Reading

In our Little Wandle phonics lessons we will be learning how to blend words with adjacent consonants using the phonemes and graphemes that we have learnt.

In guided reading sessions we will be learning how to decode texts, read them with expression and how to draw information from texts to answer and ask questions.

During our 'Talk Through Stories' sessions we will be learning new vocabulary and we will be deepening our knowledge of these stories through discussions.

#### Writing

We will be learning how to write sentences and phrases with capital letters, finger spaces and full stops. We will do this by using skills and processes that are essential for writing such as: saying our sentences out loud before we write them; segmenting words by hearing beginning, middle and end sounds and re-reading our sentences to check that they make sense.

We will develop the presentation of our writing so that it can be understood by ourselves and others.

We will create our own sentences to write by looking at pictures and discussing them with others.

#### Maths

We will be learning how to build numbers and recognising counting patterns in numbers 10-20 using a range of materials, including ten frames and number lines.

We will be learning how to match, rotate and manipulate objects to develop our spatial reasoning and problem-solving skills.

We will be learning how to add more and take away from an initial number.

We will be learning how to combine shapes to create new shapes and how to deconstruct them again.

We will be learning about doubling numbers.

We will be learning about sharing and grouping objects to a given criteria and by creating our own criteria.

We will be learning how to use positional language to explain simple construction, models and places and how to follow instructions that use positional language.

## Our topic is – Let's Go Outside

### **Personal, Social and Emotional Development**

In our 'Mindful Movers' sessions we will be learning to work in a team and play turn taking/ sharing games. We will also be learning mindfulness practises to help us regulate and express our feelings. In our SEAL circle times we will be learning about understanding and managing our feelings and the feelings of others, as well as learning about changes in our lives and setting goals.

### **Communication and Language**

During our 'Talk Through Stories' sessions we will be learning how to ask and answer questions that are relevant to the current discussion.

During our 'Helicopter Stories' sessions we will learn how to think about characters and situations and describe them before acting them out.

We will be learning to make predictions about what might happen next and offer explanations.

### **Physical**

In our PE lessons our focus will be athletic skills.

We will be learning about the rules of participating in races.

We will be learning about the different movements involved in specific races, including running, jumping, skipping, bending and balancing.

In our 'Mindful Movers' sessions we will be learning about balance and strengthening our bodies through yoga poses.

### **Understanding the World**

We will be learning about different habitats/ environments and we will be creating our own 'Bug Hotel'.

We will be learning about the life and coronation of King Charles.

We will be learning about different weather conditions and the seasons.

We will be learning how to grow our own food in the herb garden.

We will be learning about Eid.

### **Expressive Arts**

We will be learning how to create art with natural objects.

We will be refining our artistic skills, including collage, drawing with shading and patterns, mixing colours with paint. We will be learning how to create a scene from a story using junk modelling processes.

We will be learning how to join actions together to dance to music.

We will be learning about how to play instruments to a given beat.

### **Homework**

Monday- activities from the '50 Things To Do Before You're 5' document and app. Please upload photographs to your child's Tapestry profile.

Monday- please return your child's reading book

Wednesday- Lions please return your child's library book

Thursday- Tigers, please return your child's library book

Friday- 'Little Wandle' phonics home learning sheet to practise phonics skills at home

Your child's guided reading text will be uploaded to your child's eBooks profile on a weekly basis.

Thank you for your continued support.  
If you have any questions please email us.
