

Year 4 Home Learning Letter

Term 2b Week 2 13th March 2018

School Learning

Literacy

This week we are learning about the different types of determiners. A determiner is a word that introduces a noun such as a, an, every, three, many and those. Determiners can be split into several categories depending on their usage.

Maths

In maths we are learning about decimals. We will learn to recognise tenths in a variety of different ways and how to place decimals on a number line.

Topic

Yesterday we were visited by 'Well-being Warriors' where we had a focus on having a positive mindset and how to deal with our emotions. We will continue with our mindfulness lessons every day.

Family comment/Questions/Messages

Home Learning Activities

Use pages in your home learning book for any activities. Use a clean page each time. **Remember to write a title and the date. Always use your best handwriting.**

Year 4's Home Learning

Reading

To read your reading book. Bring your book to school every day.

English

To complete the determiner activity.

Maths

To complete the maths sheet.

Topic

Over the term the children can conduct their own research project. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it is completed.

Other information

On Thursday, we are going to St Johns for a football tournament. A letter has been sent home with your child. We will be arriving back at school for the end of the school day. If there are any delays, we will contact you.

Parent consultation times have been sent home with your child today.
