Promoting Independence

As we are beginning our second term in school we are asking that children try to come into the cloakrooms on their own.

This will promote independence in preparation for year 1 and reduce congestion.

However, if you need to speak to a member of staff or your child is still becoming upset you may want to continue to accompany them until they become settled.

Reminders:

- Just a reminder that children should be bringing water bottles to school. We do ask that children only have water in their bottles.
- Please ensure all clothes, including PE kits, are named. The lost property box can be found in our entrance.
- Please make sure you tell a member of the FS team if someone else is picking up your child - we cannot let another adult pick up your child without your consent.
- If your child turns 5 during this school term then they will not be entitled to free school milk. If you would like your child to have school milk then you need to pay via parent pay. Staff are available to support and answer any questions.

I would like to say a big thank you to all of the children who brought in a homework project. The children enjoyed sharing their projects with the rest of the class and it was wonderful to see how much fun they have had over the holidays!

Welcome back everyone!

We hope you had a wonderful Christmas! All of the staff in Reception would like to take this opportunity to say a big thank you for all of the cards and presents that we received.

We felt very spoilt!

We wish everyone the best for the year ahead.
