

Newton Hill News

Dear Parents and Carers,

Thank you for all your kind and generous donations for our Christmas Raffle prizes – your support is very much appreciated. The children are continuing to follow all our rules and procedures at school and the staff are working incredibly hard. As you know, we are not holding parent consultations this term, instead you will receive an interim report during the week beginning 14th December.

Attached to this newsletter is some information about Online Safety and about FREE adult courses on offer in Wakefield.

I hope you are all keeping well, despite the circumstances, if you need any support please do not hesitate to contact school.

Have a lovely weekend everyone.
Mrs Wheatley

Congratulations to Our Stars of the Week

Nursery – Oliver
Reception A – Isabella L
Reception B - Mabel
Year 1A – Elizabeth
Year 1B – Kayden

Year 2 – Layla Jae
Year 3 – Ava
Year 4 - Faye
Year 5 – Jacob
Year 6 – Tegan
Headteacher's Award: Aaron (Y2)

Update from Mrs Dundas – Our Learning Mentor

Hi Parent/Carers,

Hope I find you all safe and well. The evenings and nights have certainly drawn in and finding activities to do with your children can sometimes be a challenge. So, with that in mind, here is a great website full of free activities for all age groups: www.twinkl.co.uk

If you need to contact me my school hours are as follows:

Monday through to Friday 8:45 until 3:30. There will be occasions I may not be around but I will get back to you.

Mrs Dundas Learning Mentor

School Fundraising - Tea Towels

Thank to everyone who has purchased a tea towel.

Don't forget the school is selling tea towels containing self-portraits of every class to help raise much needed funds for school. These tea towels are excellent quality and make a brilliant present for family and friends - perfect for Christmas!

These will be sold on a first come first served basis - once they're gone they're gone so get your orders in now!

Coronavirus Update

Wakefield to move into Tier 3 (Very High Alert) from 2nd December

Update from the LA:

We have now received official confirmation that the Wakefield district, along with the rest of West Yorkshire, will be placed into Tier 3 (very high alert) from 00:01 on Wednesday 2nd December, following the lifting of the national lockdown.

Tier 3 is the strictest set of restrictions and reflects the high rate of infection in the area.

Please note - the national lockdown restrictions remain firmly in place until 2nd December.

In Tier 3;

- You must not meet socially indoors or in most outdoor places with anybody you do not live with, or who is not in your support bubble, this includes in any private garden or at most outdoor venues.
- You must not socialise in a group of more than 6 in some other outdoor public spaces, including parks, beaches, countryside accessible to the public, a public garden, grounds of a heritage site or castle, or a sports facility. This is the 'rule of 6'.

It is important to remember that these are unprecedented times. In light of the announcement, we will continue to follow guidance from the DfE/government. Our organisational procedures will continue and remain the same at this time.

We do our utmost at school to protect everyone in our community and treat everyone with respect. With that in mind, may we remind you to treat everyone with respect in our community outside of school as there have been reports of individuals being unkind to each other and making comments about coronavirus. Comments and accusations will be taken seriously and this would be in breach of our code of conduct for parents/carers. If you have any concerns please report directly to school and we will do our best to help. Thank you.

As a continual reminder, there are a number of parents who work with vulnerable adults and have relatives who are shielding and so to keep everyone as safe as possible may we please remind everyone to wear a face mask/covering when you are dropping your child/children at school and when speaking with staff. Also, please be respectful of our neighbours when dropping off and collecting children – please try to keep our neighbours' gates free for access and do not block any driveways. Our local PCSO will continue to be on duty to support.

Thank you to everyone who is complying with the rules – hands, face and space.

Free School Meals – Vouchers for the Christmas Period

The council are working on trying to provide a voucher scheme for FSM for over the Christmas period.

If you are eligible for FSM, please ensure your details held by the council are up to date, including your current and correct address. Please contact the council directly on 0345 850 6506 regarding any changes.

New starters – Reception September 2021

If your child is due to start in September 2021 and you would like a virtual tour/meeting of the school please contact Mrs Judd or Mrs Edgar in the school office on 01924 303680.

Virtual meetings for new starters to Reception 2021:

- Wednesday 2nd December 2:00pm
- Wednesday 9th December 6:00pm

To apply for a school place, please visit:

<https://www.wakefield.gov.uk/schools-and-children/schools/admissions/reception>

For the school year starting in September 2021, the closing date for applications for Reception places is 15th January 2021.

If you need any help, please do not hesitate to contact school. Please pass this information on to anyone else you know who requires a school place for September 2021. Thank you.

Interim Reports

To replace our consultations this term, we will be sending home an interim report in December. Please contact your class teacher via the email system if you have any concerns regarding your child or if you would like to speak to your class teacher.

Bubble Closures & NHCS Remote Learning Plan

If a class bubble needs to close due to positive COVID test result, we would contact you via the parent hub in order for you to collect your child/children or advise you to keep your child at home if we are notified during the evening. If a bubble closed, children would need to remain at home for 14 days. We understand that this will be a difficult time for everyone.

During the closure we will continue to provide remote learning. On the day of closure children can start to use the resource pack which has been sent home, further activities may be posted on parent hub. From day 3 of the closure, further remote learning activities will be set. These will be sent out via parent hub and also be linked to our school website under the 'Pupil Zone' tab. The website pages will be made available once it has been confirmed that a bubble will need to close. Work will be set daily and it will be an expectation that you return work to school so that it can be marked by class teachers – this can be done via the class email system. Teachers will provide clear explanations for the learning to be completed at home and links to a variety of resources. We will also be in daily communication via email. We may also contact you by telephone as required.

Actions you can take to help

Do not send your child to school if they are showing symptoms OR someone in their household is showing symptoms. Please let school know if your child is not attending. The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)

- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms.

Arrange a test if you or your child develops symptoms. Inform school of the results. If the test is positive, follow [guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#), and engage with the NHS Test and Trace process. If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result. **Please contact school if you need any help.**

Further information regarding COVID-19 can be found at:

Online Safety at Christmas time

Dear Parents/ Carers,

Online safety is an important part of keeping children safe at *Newton Hill Community School*. All pupils are taught about how to stay safe online, but this will only be successful if we work together with parents and carers to help reinforce safe online behaviours at home.

As Christmas draws near, many children may be looking forward to receiving new electronic toys, devices and games, so we'd like to share some simple online safety tips to help parents and carers make safer choices and support their children online over the festive break.

Make informed choices:

It is vital that parents and carers fully understand the capabilities of the technology within their homes. It's important to make informed decisions about new games, smart toys and devices, before giving them to children as a gift.

- Do your research; ask the shop about pre-installed apps or tools, and check whether the device or game has an online component which allows them to connect with others online.
- Always check the PEGI age rating and descriptors on games before buying them for your child and carefully consider whether the content is appropriate for them. CEOP has some helpful advice about making decisions regarding what is 'appropriate' for your child:
www.thinkuknow.co.uk/parents/articles/gaming-whats-appropriate-for-your-child/
- Familiarise yourself with the privacy, safety and security tools on new devices; ensure you can teach your child how to make their accounts private and how to block and report other people online.

Use the parent guides and shopper's checklists from UK Safer Internet Centre and Internet Matters to help you ask the right questions and make informed choices when buying new technology this Christmas:

www.saferinternet.org.uk/advice-centre/parents-and-carers/parents-guide-technology
www.internetmatters.org/hub/guidance/guide-to-tech-buying-a-smart-toy-tips-for-parents/
www.swgfl.org.uk/magazine/holidays-toys-tech/

Talk to your children:

Take an active interest in your child's online life and engage in the digital world with them.

- Let your children teach you about their online world and how they use technology; playing new games and exploring websites together can often open opportunities to discuss safe behaviour and can also be lots of fun!
- Make sure your children know that you are safe and approachable; remind them that they can tell you if something happens online that makes them feel scared, worried or uncomfortable, without being told off or punished.

You can find more advice about talking to you child about online safety from CEOP:

www.thinkuknow.co.uk/parents/articles/having-a-conversation-with-your-child/

Filters and Parental Controls:

Children can accidentally or deliberately be exposed to unwanted or unpleasant content online, but there are some simple things you can do at home to help minimise this risk.

- Make sure you install anti-virus software, filters and parental controls on your child's device before giving it to them.
- Ensure that you are role-modelling good behaviour by using strong passwords yourself; make them difficult to guess and don't share them with your children.
- Remember that blocks and filters are not 100% effective and you can't rely on them alone to protect your children, so remind them to tell you if they see something upsetting online.

The interactive guide to parental controls available from Internet Matters will have helpful information to help you set up devices:

www.internetmatters.org/parental-controls/

Setting boundaries:

Much like the 'real world', parents should set boundaries for children online; this provides them with a clear understanding of the limits, expectations and consequences of their behaviour.

- Agree as a family, how the internet and technology will be used in your home; encourage children to use the online safety messages they learn in school and adapt these into your own family rules.
- Discuss online boundaries; for example, if your child loves to chat or share content on the internet, talk to them about what is and isn't appropriate to share online.
- Remember to role-model positive behaviour online; consider asking your child's permission before posting photos of them on social media this Christmas and empower them to have control over their 'digital reputation'. Also, why not make sure you spend time together as a family and set aside some tech-free time over the Christmas break.

Take a look at the family agreement template available from Childnet International for some ideas:

www.childnet.com/parents-and-carers/have-a-conversation

Other useful websites:

- www.nspcc.org.uk/online-safety NSPCC advice and helpline for parents
- www.thinkuknow.co.uk/parents - CEOP's advice for parents
- www.childnet.com/parents-and-carers Resources and 'hot topics' for parents from Childnet
- www.getsafeonline.org/connectedchristmas Security and technical advice at Christmas from Get Safe Online

We'd like to wish you all a very happy and safe Christmas, both on and offline.

Thank you.

Mr Paine.
