

Curriculum focus of SPG spending 2020/21 (revised)

Sports Premium funding will be spent on the following:

- Purchasing appropriate equipment to enable high quality delivery of PE sessions across the curriculum.
- Purchasing new equipment to be used during break times to ensure children are engaged and achieving their one hour (minimum) of exercise per day.
- Raising the profile of Sport through school by purchasing staff kit to be worn for PE lessons.
- When possible, increasing the percentage of children attending After School Clubs throughout the year (2018/19 – 57% of pupils attended, 2019-20 - 57% for two terms).
- When available, improving the performance of our school teams in Level 2 and Level 3 competitions by providing specific clubs and high-quality PE coaching in curriculum time.
- When possible, employing specialist coaches to work with members of staff to develop their confidence and ability in the teaching of PE.
- Continuing to maintain links with sporting companies and other pyramid schools that will provide a broad experience of sports and competitions for our children (ACES, Elite, Outwood Together).
- When required, transport and cover costs to ensure children can attend Level 2/3 competitions.
