Dear Parents & Carers,

We cannot believe we are at the end of another academic year. The children have all worked incredibly hard this year and we are so proud of each and every one of them. Thank you to all our parents & carers for your continued support this year. Your child will receive their end of year school report this week.

Thank you to everyone who attended the open session and our other events this term. Your positive feedback is always lovely to hear and is very much appreciated. The staff really do appreciate hearing your feedback. We do always listen to your feedback and take it on board so thank you to those who offer constructive ideas for the future.

We have thoroughly enjoyed celebrating the Queen's Jubilee this term and I hope you all enjoy reading your commemorative book with your child. It really is a lovely keepsake for our children.

Our very best wishes to all our Year 6 children and families who leave us on Tuesday 26<sup>th</sup> July – we wish you all every success for the future.

## **Class Organisation for 2022/2023**

Below is a reminder of the class organisation for next year. The current class emails will be closed on Tuesday 26<sup>th</sup> July so please do not send any emails after this date. The children have enjoyed transition time with their new teachers and the children have been shown their new classrooms and doors to enter school. From September, you can use Fourth Avenue gate or East Street gate to enter/exit school. The main entrance from Leeds Road will continue to be for visitors, deliveries and special circumstances only. There will be no access to the school playground through the main entrance. Thank you for your cooperation.

## **Water Safety**

We have been talking to the children about keeping safe near water this half term. Our local PCSOs also visited this week to speak to Year 5 and Year 6 about water safety and staying safe.

Swimming in open water is extremely dangerous as hidden dangers can lurk beneath the surface. This can include discarded waste which can trap people, as well as slippery rocks and sudden changes in water depth. Jumping into cold water can also cause people to go into shock.

This video shows the consequences and the dangers of swimming in open water and we have been asked to share this with you by the Local Authority.

Please stay safe over the summer holidays.

## **Updates for September 2022**

### **School Meals**

In September our school meal price will be £2.35. Please note that there will be no further increases in 2022/2023 and school will continue to subsidise school meal costs to keep the price at £2.35. School meals can be ordered in advance at home so you can choose meals with your child (pre-orders cannot be changed at school). Just a reminder from CH & CO (our meal provider) that all accounts need to be in credit to allow children to order a meal at school.

Our Healthy Lifestyles and Lunchbox policy is attached for your information and this will start in September 2022. You will find information about packed lunches and information about snacks at school. Thank you to everyone who responded with suggestions to our consultation regarding our new policy.

School meals for children in EYFS and KS1 are FREE but if you are considering a packed lunch option please have a look at the policy.

**Snacks:** All children in EYFS and KS1 have a piece of fruit/vegetable provided through the school fruit scheme. From September children in KS2 can bring a piece of fruit/vegetable for a snack. Cereal bars etc will not be permitted. Please see the policy for further information.
