

Year 4 Home Learning Letter

Term 1b Week 6 5th December 2017

School Learning

Literacy

This week we are writing our own stories based on 'How to Train Your Dragon'. The main character is about to leave to face the largest dragon the Vikings have ever seen and we are writing our own ending using all of the grammatical skills we have covered this half term.

We will also be having a reading test to check progress.

Maths

In maths we are having a mental arithmetic and a reasoning test. This will then help us to identify if there are any gaps in this terms learning, which will then be our teaching focus.

Topic

We are designing and beginning to create a piece of art that will be used on our calendars.

Home Learning Activities

Use pages in your home learning book for any activities. Use a clean page each time. **Remember to write a title and the date. Always use your best handwriting.**

Year 4's Home Learning

Reading

To read your reading book. Bring your book to school every day.

Maths

To complete the maths sheet.

Writing

To write a short story around a theme of your choice. Can you include fronted adverbials, expanded noun phrases and speech?

Topic

Over the term the children can conduct their own research project. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it is completed.
