

Sports Premium Grant expenditure: Report to parents and governors: 2017/18

Overview of Newton Hill Community School

Number of pupils and Sports Premium Grant (SPG) received	
Total number of pupils on roll	207
Total amount of SPG received	£14,035

PE and sport at Newton Hill Community School

- Sport and regular physical activity are very important aspects of life at Newton Hill Community School and we try our best to encourage and provide children with the opportunities to take part in competitive sport. Throughout the course of the year a number of free places will be offered for a range of focused after-school clubs that have been requested by our children. The funding will also be used to allow our children to take part in competitive sporting events at other venues.
- One of the aims of the sports funding at Newton Hill Community School is to build on the strengths of our staff by offering support with curriculum PE, Staff CPD and team teaching opportunities with specialist coaches.
- Different sports coaches and leaders will be used to lead lunchtime activities to support behaviour and develop a co-operative and structured environment. The school will have the appropriate and most up to date resources available to run successful clubs and activities.
- A broader experience of sports and activities will be provided that are accessible for all children at our school.

Curriculum focus of SPG spending 2017/18

Sports Premium funding will be spent on the following:

- Employing specialist coaches to work with members of staff to develop different areas of PE across all ages.
- Creating links with sporting companies that will provide a broad experience of games and sports for our children.
- Employing specialist sports coaches to provide a range of after-school clubs and different sporting opportunities both intra and inter school.
- Purchasing new equipment to enable high quality delivery of PE sessions across the curriculum.
- To provide staff with CPD and development opportunities working alongside specialist coaches.
- To increase participation in competitive sport.
- Providing a range of lunchtime and break time activities that will have a positive effect on behaviour and engagement in classrooms.

Measuring the impact of SPG spending

The school will evaluate the impact of the Sports Premium in the following ways:

- Monitoring the number and variety of after-schools sports club places on offer to students.
- Monitoring the number of children taking part in after-school clubs.
- Monitoring the number of children taking part in competitive sporting events.
- Monitoring the number of competitions and opportunities to take part in competitive sporting events.
- Looking at the results of our competitive sporting teams.
- Monitoring the school's behaviour logs.
- Record and display evidence of increased the participation of pupils in level 2 competition.
- Measure and compare confidence level of teaching staff delivering PE and sport through staff consultations and questionnaires.
- Anecdotal evidence including pupil feedback.
