Newton Hill barriers to learning:
<ul style="list-style-type: none"> • Parental Home life • Attendance • Behaviour and attitudes to learning • SEN – children with additional needs • Being able to retain and apply skills independently • Providing experiences out of school

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
•	Children to be in line with age related expectations and/or make good/accelerated progress. The gap closes for pupils eligible for Pupil Premium. How this will be measured: Termly assessments/Pupil Progress meetings.	Children will achieve ARE/GD.
•	Children show good application to their learning resulting in expected and accelerated progress. How this will be measured: Observations, monitoring of interventions.	Children show good behaviour for learning. Children make expected/accelerated progress.
•	Data is in line with national figures for attendance and persistent absence. Children attend regularly and are on time. How this will be measured: Attendance data, attendance reports.	Attendance increases to at least 96% PA reduces to be in line with national figures.
•	Children have experiences beyond the school day – children are VIPs for clubs, tournaments, residential visits and special events. How this will be measured: Reviews of clubs, feedback from children.	Children have the opportunity to experience a range of sporting events, visits and clubs.

5. Planned expenditure					
Academic year					
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?

Part of the interventions will focus on test preparation skills due to a large number of children not performing on the end of year tests in Y6. Interventions will also focus on ensuring the more and most able succeed.</p>	

iii. Other approaches				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
Children take part in activities. Children's enjoyment and confidence, access to opportunities. Children's willingness to try new experiences.	Music lessons offered (£80/term) Subsidised school visits (£200) Residential visit for Y6 (£200/child)	2 children participated in music tuition. Visits/residential visit costs covered allowing all children to attend – developing confidence.	This will continue to be offered to all children. Residential visit costs will continue to be funded to enable all children to have the wider experience to develop and build confidence and resilience.	£1,200
<p>To improve attendance in line with national data. For attendance of pupil premium children to be in line with other pupils.</p> <p>To monitor persistent absence and punctuality of PP children. Liaise with EWO and outside agencies as required.</p> <p>To support with behaviour and pastoral care across school. Support SENCo with CAFs for families who need support.</p>	<p>Employment of a Learning Mentor (new to school September 2017)</p> <p>The learning mentor has a timetable in place to support classes/individuals and groups to improve behaviour ensuring that low –level disruption is eradicated. There is also a timetable for the LM to lead pastoral interventions.</p> <p>Attendance monitoring each ½ term with EWO. Behaviour Logs</p>	<p>Successful interventions with behaviour support, pastoral support.</p> <p>Children access and enjoy learning – developed a positive attitude to learning.</p> <p>Attendance figures for 2017/2018: Overall absence: 4.6% Persistent Absence: 12.2%</p>	<p>The role of the learning mentor is a key role in school – attendance, behaviour support, pastoral support and supporting parents/carers. This role will continue in school. The timetable will continue to be reviewed on a needs analysis basis.</p> <p>This strategy will continue however, the next steps will be further developing systems to promote good attendance and punctuality and to provide support and guidance for parents/carers.</p>	£12,958

7. Additional detail

Pupil premium is additional funding, from the government, provided to schools for supporting more pupils from low-income families to ensure they benefit from the same opportunities as all other children. There are three categories of children that qualify for pupil premium:

- Children who are eligible for free school meals (FSM)
- Looked after children
- Armed forces children

At Newton Hill Community School, we believe that all our children have an equal entitlement, and should have an equal opportunity to develop imagination and creativity, to be numerate and literate and to have a love of learning.

All our staff and governors are accountable for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium will support us in achieving our vision. We welcome external reviews of our provision for our disadvantaged children; our most recent review was in October 2018.

Our Vision

- We seek to ensure that teaching and learning opportunities meet the needs of all of the pupils;
- We seek to ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed;
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged;
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being in need of intervention and support;
- Pupil premium funding will be allocated following a needs analysis, which will identify priority groups or individuals.
-

Reporting

It will be the responsibility of the Headteacher to report to the Governors on:

- the progress made towards narrowing the gap, for socially disadvantaged pupils;
- an outline of the provision
- an evaluation of the cost effectiveness and impact of the provision in terms of the progress made by the pupils receiving a particular provision.
