

This week we will be:

- Practising our speaking & listening skills through our different phonics activities.
- Continuing to read 'Goldilocks and the Three Bears' and encouraging the children to try and re-tell the story in the different learning areas.
- Using 'Compare Bears' in our maths activities. We will use them to practise our sorting and counting skills.
- Making our own bears in the creative area, using different collage materials.

Don't forget to check our school website for photos and an overview of what we have been doing in class each week.

If you have any questions or queries, please don't hesitate to ask a member of the EYFS team.

Cubs Class - Weekly letter

Week 3
w/c 22nd January 2018

Star of the Week

Makayla

For making great progress in her writing. Makayla is starting to identify sounds in words and attempt to write them. Well

'All about me' box

Each week one child will be chosen to take the 'All about me' box home. Children will be asked to fill the box with up to five items which tells us a little bit about themselves. This week **Utjua** will take home the 'All about me' box.

Sound and Number of the Week:

This week we will be introducing the children to our interactive display, 'sound' and 'number' of the week which aims to involve you in your child's learning.

This week the sound is

e

and the number is

3

Sounds will be introduced (with songs/actions) in the order they are taught in the Letters and Sounds programme. The game 'I Spy' supports the recognition of initial sounds in words and is fun to play at home or at school! Ask your child to find the number '3' on a house number or car registration plate when out and about. Any photos of your findings or objects beginning with the sound of the week can be brought into school for us to look at.

Notices:

- A **HUGE** well done to Lilliana-May for being awarded a Headteacher's award for her fantastic attitude in class. She is always so kind, caring and considerate to others and has set an excellent example to the new children who have recently joined us. Well done Lilliana-May, we are very proud of you!
- With our topic being all about bears we would really appreciate any photos that you have of your child with their favourite teddy (or they can bring in the teddy for us to take a photo!) We can then display the photos in the snack area to encourage and develop the children's speaking and listening skills.
- With having more children in class, we are starting to encourage the children in Cubs Class to get ready for home more independently and we would really appreciate your help. Whenever possible, please encourage your child to put on and fasten their coats by themselves and open and close their bags. This will not only help us but will also contribute towards your child's assessments (health & self-care focus). Thank you ☺
