

Year 1

Monday 30th October 2017

This week in class we are:

English:

- Learning to use full stops at the end of our sentences. We will be continuing reinforce letter formations, capital letters and rehearsing sentences before writing them down then checking what they have written.

Maths:

- Learning about addition this week and number bonds up to 10. E.g. $2+2=4$, $3+1=4$, $0+4=4$ etc.

Topic:

- In science we will be learning about autumn. In geography we will continue to find out about the local area and the school. In history we will continue to find out about toys from the past.

This week at home:

English:

- Read to a family member and talk about what has happened in the story.
- Practise forming your letter formations. Make sure your letters are sitting on the line and are facing the right way. These can be practised in your homework books.
- Practise the spellings that were sent home.

Maths:

- Please find an attached maths questions sheet.

Topic:

- Over the term the children can make and prepare their own project about toys or materials. This can be presented in whichever way they would like. Your child will then get the opportunity to present their project to the class once it's completed. E.g. They could bring in a toy then talk about what materials it's made from and how it works. With help they could make an information leaflet or present their ideas on a PowerPoint.

Other Information:

- The FOS meeting will be on **Wednesday** 1st November at 2:30pm.
- It is the KS1 Halloween disco on **Thursday 2nd November** at 3:15 pm until 4:15 pm.
