Covid-19: Actions you can take to help

Please do not send your child to school if they are showing symptoms OR someone in their household is showing symptoms. Please let school know if your child is not attending. The main symptoms of coronavirus are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms.

[Arrange a test](#) if you or your child develops symptoms. Inform school of the results. If the test is positive, follow [guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#), and engage with the NHS Test and Trace process. If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result. Please contact school if you need any help.

Keeping Everyone Safe

If you have any safeguarding concerns or need any support or advice please do not hesitate to contact the school - our Designated Safeguarding Leads (DSL) are: Mrs Wheatley, Mr Duce, Mrs Luck, Mr Paine, Mrs Dundas, Mrs Myton and Miss Land.

School Attendance Matters

We are very keen to ensure that all children attend school regularly, as this is important for your child's academic progress. You can help by making sure your child is at school on time every day.
